Dear Senator Killion:

On behalf of our membership, thank you for your proposals to both help workers by [broadening](#) Unemployment Compensation guidelines and businesses with [economic injury](#) relief that will expand and streamline state loan programs for businesses who are experiencing revenue loss because of the Coronavirus.

We also ask the Pennsylvania Legislature consider business tax deferrals and support our human services and non-profit members with relief for charities.

As the primary business advocate in the County, the Delaware County Chamber of Commerce is very interested in any policies in response to the Coronavirus that will affect our members and local economy.

Sincerely,

A handwritten signature in blue ink that reads "Trish McFarland".
